

KENDRIYA VIDYALAYA, NO-2, KHARAGPUR

PUSTAKOPHAR

2022-23

“PUSTAKOPHAR” (Passing over of the textbooks to juniors’ students), is a wonderful initiative by KVS. The books are especially useful for children from low economic backgrounds, besides that a step like this inculcates a spirit of bonding between students. The students learn and exhibit responsible moral behaviour, and contribute a student’s effort towards saving money and environment.

Therefore, students are requested to come forward and give their textbooks and other related study material to the immediate juniors
